

Here we grow again!

New Store Announcement

Innisfail, AB - F717

Fountain Tire announced the growth of its store network in Central Alberta this January, with a new location in Innisfail. The expansion follows the acquisition of a longstanding Integra Tire location in the community. Fountain Tire veteran Brian Adcock is leading the store as managing partner.

“We’re thrilled to expand Fountain Tire’s service in Central Alberta with this new Innisfail location,” says Curtis Goodwin, Fountain Tire’s Vice President, Stores – Alberta and Saskatchewan. “Our experienced team is poised to serve both the residents and diverse industries that thrive in the community, with the exceptional service our customers have come to expect across our network.”

From its 9,500 square-foot facility along Alberta’s busiest highway, Fountain Tire Innisfail offers retail and commercial tire and automotive services, specialty tires and agricultural tire sales and service. It is supported by eight associates and two red seal automotive technicians. Store Owner Brian Adcock brings more than 35 years of Fountain Tire experience to the new location, gleaned from management roles across Alberta, including Red Deer, where he maintains an ownership stake.

“At Fountain Tire, we like to say, ‘we’re on this road together,’” says Adcock. “As the incoming manager of the Innisfail store, I’m excited to bring my expertise to the community and learn from it in return.”

Goodwin notes Fountain Tire’s acquisition of Integra Tire Innisfail was a collaborative process, years in the making.

“For fifteen years, Wes and Jen Leslie ran a successful – and growing – business in Innisfail,” he notes. “We’ve worked closely together on this transition and we’re thankful they’ve trusted us to protect the legacy they built in and around this wonderful community.”
